

Measuring Up David and Goliath

Fill in this chart using the story of David and Goliath, 1 Samuel 17:41–54. Then answer the questions below. Use the back of this page for writing if necessary.

Tools	Goliath	David
armor		
weapons		
occupation		
relative age		
reward for winning battle		
past warrior experience		
source of strength		

Based on the chart you have just filled in, which person would you side with? Why?
Why was David victorious?

Can you think of any “battles” (injustice, temptation) you may have faced or may face in the future?

In what ways can David’s victory influence the outcome of your battles?
